

Advertisement for the Post of JRF in SERB-DST sponsored project

The applications are invited by Dharmsinh Desai University, Nadiad, Gujarat, for one Junior Research Fellow (JRF) for a research project titled “**Study on multifunctional catalytic property of metal-organic frameworks (MOFs) catalysts for catalytic conversion of alcohols in industrially important synthesis reactions**” sponsored by Science & Engineering Research Board, Department of Science and Technology (SERB-DST), New Delhi, for three years. The research fellow will be doing extensive experimentation on the synthesis, characterization and catalysis study of metal organic framework materials. The essential qualification is M.Sc. (Chemistry) with 60% marks and NET. The age of candidate should not be more than 28 years. The fellowship amount is Rs. 25,000/- per month + HRA (for first two years as JRF), which will be converted to SRF in third year. The eligible candidates can apply with their CV to The Vice-Chancellor, Dharmsinh Desai University, College Road, Nadiad, Gujarat, 387001 **Or** E-mail to Dr. Manish Kumar Mishra (manishorgch@gmail.com) on or before 31st October 2016.
