Dear Ms. Priyanka,

Thank you for speaking at the webinar "*Through the eyes of a Recruiter*" organized by ConnectBase in association with Mechanical Engineering Department, Faculty of Technology, Dharmsinh Desai University – Nadiad on October 27th, 2021.

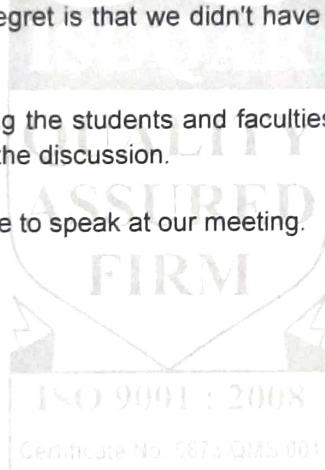

Your presentation on 'how an engineering student should prepare for the campus placement drive' was very well received by the students. The informative speech you provided were both fascinating and timely. Our only regret is that we didn't have more time to discuss the topic with you.

We hope that you enjoyed meeting the students and faculties of DDU and that you will consider returning in the future to continue the discussion.

Thank you again for taking the time to speak at our meeting.

Sincerely,
